Filed:	January 16, 2004	Art Unit:	2854
Title:	SCREEN PRINTING AND LASER TREATING SYSTEM AND METHOD		

REQUEST FOR CORRECTED OFFICE ACTION

Mail Stop Amendment  
Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant notes in the outstanding Office Action mailed June 2, 2006, the application is deemed to be the result of a Request for Continued Examination.

Applicant respectfully asserts the present re-opening of the prosecution is not based upon a Request for Continued Examination, but rather in response to the Appeal Brief filed February 27, 2006.

Applicant respectfully requests re-issuing of the Office Action based upon the record.

Further, Applicant respectfully requests reconsideration of the rejection based upon the mere addition of tertiary and quaternary references. Absent such reconsideration, Applicant will likely seek mere reinstatement of the Appeal.

Respectfully submitted,

Dated: July 18, 2006
